# Talent Acquisition Specialist / Technical Recruiter Position

**Subject:** Join Us as a Founding Partner – Help Build The Boomerang Cycle Team

Dear Candidate,

I hope this message finds you well. My name is Eldad, and I am the founder of **The Boomerang Cycle**, a revolutionary platform designed to redefine generosity by creating a sustainable cycle of giving and receiving. Our mission is to empower millions worldwide by fostering transparency, reciprocity, and kindness.

We are currently seeking a **Talent Acquisition Specialist / Technical Recruiter** to join us as a **founding partner** and help build the team for this transformative project. In this role, you will identify, evaluate, and onboard top talent across various disciplines as UI/UX Designers, Developers, and Security Experts, to bring this vision to life.

This is a unique opportunity to shape the foundation of a globally impactful movement while earning an equity stake in the company. In exchange for your initial contribution (without immediate compensation), you will receive an equal equity share in the company and the chance to lead recruitment efforts for a groundbreaking project.

## Why This Role Matters

- **Mission-Driven Impact:** Your expertise will directly contribute to building a platform that fosters generosity and helps millions worldwide.
  - **Collaborative Leadership:** Work closely with the Project Manager and other team members to ensure seamless collaboration and alignment with project goals.
  - **Shared Decision-Making:** All decisions will be made collectively, ensuring that every team member's input is valued.
  - **Long-Term Potential:** As the platform grows, you'll benefit from its success through your equity stake.
- 

## Responsibilities

- Source and recruit skilled professionals for key roles (UI/UX Designers, Developers, Security Experts).
  - Conduct technical and behavioral interviews to evaluate candidates.
  - Test candidates' skills through practical assignments or coding challenges.
  - Ensure new hires are aligned with the project's vision and culture.
  - Facilitate the smooth integration of new team members into the existing team dynamic.
  - Collaborate with the Project Manager to prioritize hiring needs and timelines.

## What We're Looking For

- 3+ years of experience in tech recruitment or talent acquisition.
  - Strong understanding of technical roles (frontend/backend development, UI/UX design, etc.).
  - Excellent communication and interpersonal skills.
  - Experience recruiting for startups or innovative projects is a plus.
  - A collaborative mindset and the ability to integrate new team members effectively.
- 

## What We Offer

- **Equity Stake:** Equal shares in the company for all founding partners.
  - **Impact:** Be part of a platform that fosters generosity and helps millions worldwide.
  - **Ownership:** A true sense of ownership and influence over the project's direction.
  - **Growth:** Opportunity to grow with the company and benefit from its long-term success.
- 

## How to Apply

If you're excited about **The Boomerang Cycle** and ready to join us as a founding partner, please send your **resume/portfolio** and a brief note about why you're passionate about this project [totheboomerangcycle@gmail.com](mailto:totheboomerangcycle@gmail.com)

Looking forward to hearing from you!

Best regards,  
**Eldad**
