# Project Manager Position

**Subject:** Join Us as a Founding Partner – Lead the Development of The Boomerang Cycle

Dear Candidate,

I hope this message finds you well. My name is Eldad, and I am the founder of **The Boomerang Cycle**, a revolutionary platform designed to redefine generosity by creating a sustainable cycle of giving and receiving. Our mission is to empower millions worldwide by fostering transparency, reciprocity, and kindness.

We are currently seeking an **exceptional Project Manager** to join us as a **founding partner** and lead the development of this transformative project. In this role, you will play a pivotal part in shaping the future of the Boomerang Cycle by overseeing all aspects of the project, from conceptualization to execution.

This is a unique opportunity to take ownership of a globally impactful movement while earning an equity stake in the company. In exchange for your initial contribution (without immediate compensation), you will receive an equal equity share in the company and the chance to guide a team of passionate professionals who share your vision.

---

## Why This Role Matters

- **Mission-Driven Impact:** Your leadership will directly contribute to building a platform that fosters generosity and helps millions worldwide.
  - **Collaborative Leadership:** Work closely with the Talent Acquisition Specialist/Technical Recruiter and other team members to ensure seamless collaboration and alignment with project goals.
  - **Shared Decision-Making:** Decisions will be made collectively, ensuring all voices are heard and respected.
  - **Long-Term Potential:** As the platform scales, you'll benefit from its success through your equity stake.
-

## Responsibilities

- Define project scope, milestones, and deliverables in collaboration with the team.
  - Build and lead a cross-functional team of designers, developers, and specialists, ensuring effective communication and teamwork.
  - Foster a culture of collaboration, mutual respect, and shared accountability.
  - Manage timelines, budgets, and resources to ensure timely delivery of each phase.
  - Ensure compliance with legal, financial, and security standards.
  - Provide regular updates to stakeholders and translate technical jargon into clear insights for non-technical audiences.
- 

## What We're Looking For

- 5+ years of experience managing large-scale software projects.
  - Expertise in Agile/Scrum methodologies or similar frameworks.
  - Strong leadership, communication, and problem-solving skills.
  - Experience with fintech, donation platforms, or related systems is a plus.
  - A collaborative mindset and ability to integrate new team members effectively.
-

## What We Offer

- **Equity Stake:** Equal shares in the company for all founding partners.
  - **Impact:** Be part of a platform that fosters generosity and helps millions worldwide.
  - **Ownership:** A true sense of ownership and influence over the direction of the project.
  - **Growth:** Opportunity to grow with the company and benefit from its long-term success.
- 

## How to Apply

If you're excited about **The Boomerang Cycle** and ready to join us as a founding partner, please send your **resume/portfolio** and a brief note about why you're passionate about this project to [theboomerangcycle@gmail.com](mailto:theboomerangcycle@gmail.com)

Looking forward to hearing from you!

Best regards,  
**Eldad**
